

**REMARKS**

Claim 27 is amended. New claims 39-43 are added. Claims 27, 33, and 36-43 are pending in the application.

Claim 27 is amended to recite positioning of layers as set forth in the specification. The amendment is supported by the specification at, for example, page 8, lines 10-18 and Fig 4. Based upon the reasons for allowance set forth previously by the Examiner, the amendment to claim 27 does not effect the allowability of the claim or corresponding dependent claims 33 and 36-38.

New claims 39-43 do not add "new matter" to the application since each is supported by the specification as originally filed. Claims 39-43 are supported by the specification at, for example, page 3, lines 12-20; page 2, lines 11-13; page 8, lines 6-9; and page 9, lines 15-19.

For the reasons discussed above, claims 27, 33 and 36-38 are allowable, and claims 39-43 are believed allowable. Accordingly, applicant requests formal allowance of claims 27, 33, and 36-43 in the examiner's next action.

Respectfully submitted,

Dated: March 12, 2004
